

Career Choices

What You'll Learn

1. The difference between a career and a job
2. How education can affect lifetime income
3. What a positive job reference is

Talk About It

Ask your teenager:

- Which careers are you interested in? Why?
- Which careers are not interesting to you? Why?
- How can I support you in learning more about careers?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
