

Move Forward Well

You + Your Money = Success

What You'll Learn

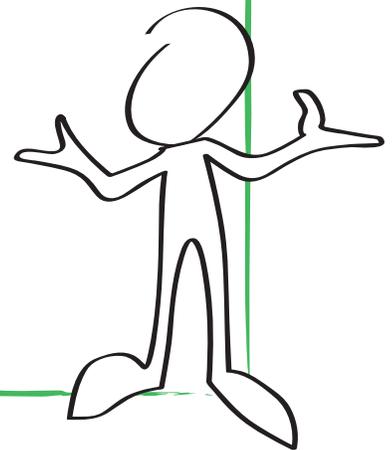

1. How the way you use money today affects your future
2. Examples of positive money choices
3. Why a budget is a key way to be financially responsible

Talk About It

Ask your parents:

- Which money choices do I make that you are most proud of? Why?
- What do you wish I knew more about in terms of managing my money well?
- What one step can I take to make better money choices?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
