

# Developing a Budget for Parents

## What You'll Learn

1. What a budget is
2. Expenses included in a budget
3. How to analyze a sample budget

## Talk About It

### Ask your teenager:

- When have you created a plan (or budget) to use your money?
- How can we create a budget that would be helpful now?
- What questions do you have about budgets?

My Notes:

Visit [www.bankit.com](http://www.bankit.com) for more information on making positive money choices.
