Review and Evaluate

What is the difference between a wage and a salary?

1. A wage pays you an hourly rate. A salary pays you a monthly or annual rate.
2. You can earn more money with overtime with a job that pays wages. You cannot earn more money by working overtime with a job that pays a salary.
3. You rarely get benefits with a job that earns wages. You may get benefits with a job that earns a salary.

Review and Evaluate

What is a source of income other than a wage or a salary?
