

Saving—No Matter What

What You'll Learn

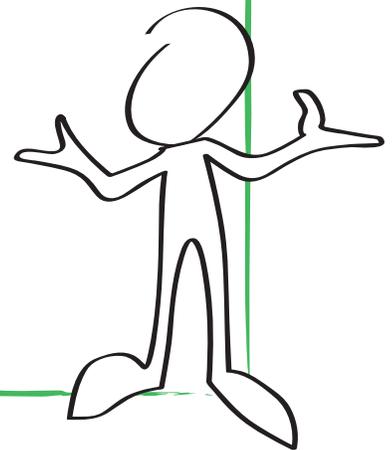

1. What a financial goal is
2. How savings can help you meet your financial goals
3. A safe place to keep your savings

Talk About It

Ask your parents:

- What gets in the way of your saving money?
- What is a solution to getting around barriers that get in your way?
- How can you support me in overcoming saving barriers?

My Notes:

Visit www.bankit.com for more information on making positive money choices.
